

MOBILIZING OUR COMMUNITY

Every day, United Way Eastern Idaho is at the forefront, making a difference in the lives of our neighbors. As the largest private funder in our seven-county area, we are not just addressing immediate needs; we are investing in the long-term well-being of our communities.

We are uniquely positioned at the intersection of public, private, local government, philanthropic and nonprofit sectors.

It takes just a single person to initiate change.

Our community's challenges are bigger than one organization can solve alone.

Local businesses are the economic engine for our community.

It takes just a single person to initiate change. United Way EI connects people with causes close to their hearts and inspires them to roll up their sleeves by giving of their time and treasure to support our community.

Organizations

Because our community's challenges are bigger than one organization can solve alone – United Way EI convenes and collaborates with organizations across sectors to tackle our community's most critical problems.
